

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-855-270-2327 or visit us at lacare.org. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at healthcare.gov/sbc-glossary or call 1-855-270-2327 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$0 individual / \$0 family. Per calendar year	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible ?	Yes. Family, physician, and specialist office visits, preventive care, and other services not subject to deductible.	This plan covers some items and services even if you haven't yet met the deductible amount, but a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits .
Are there other deductibles for specific services?	No	You don't have to meet deductibles for specific services
What is the out-of-pocket limit for this plan ?	\$6,100 individual / \$12,200 family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit ?	Premiums , balance billing , and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limits .
Will you pay less if you use a network provider ?	Yes. See lacare.org or call 1-855-270-2327 (TTY 711) for a list of network providers .	This plan uses a provider network . You will pay less if you use a participating provider in the plan's network . You will pay the most if you use a non-participating provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your participating provider might use a non-participating provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	Yes.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
