These are extraordinary circumstances, and the process for public comment is evolving and may change at future meetings. We thank you for your patience.

Please note that there may be delay in the digital transmittal of emails, texts and voicemail. The Chair will announce when public comment period is over for each item. If your public comments are not received on
time for the specific agenda item you want to address, your public comments will be read at the public comment section prior to the board going to closed session.

The purpose of public comment is that it is an opportunity for members of the public to inform the governing body about their views. The Board appreciates hearing the input as it considers the business on the Agenda.
