# Thank you for choosing L.A. Care Health Plan!

We are proud to provide quality care and service to **Healthy Kids program** members in Los Angeles County. To make sure that our members receive the best possible care, L.A. Care has a large network of doctors who serve all of Los Angeles County. This provider directory lists clinics, doctors, pharmacies, hospitals and other providers who work with L.A. Care.

## Your Doctor is Called a “PCP”

When you joined L.A. Care, you chose a doctor or clinic for each member. If you didn't, we chose for you. This doctor is called a “primary care physician” or “PCP.” This PCP will arrange most of your care unless it is an emergency. Your PCP's name and phone number are on your ID card.

## How to Pick a New Doctor (PCP) Using Our Website

You can change your doctor by picking a new doctor, clinic, or physician group from this provider directory. To use this directory to pick a doctor, follow the instructions below. Or, if you have access to the Internet, you can go to [www.lacare.org](http://www.lacare.org) and then click on **I Am a Member**. Click on **Healthy Kids** on the left side of the screen. Click on **Find a doctor or hospital** and follow the instructions to pick a new doctor.

## How to Pick a New Doctor (PCP) Using this Directory

- 1. Find your city.** In this provider directory, go to the city of your choice to find a list of clinics and doctors near you.
- 2. Check the list.** To help you pick, we have listed doctor specialties and the languages they speak.

## You may choose this type of doctor...

	to care for
Family Practice	All ages
General Practice	Ages 16 & older
Internal Medicine	Ages 16 & older
Ob/Gyn (women only)	Ages 16 & older
Pediatrics	Ages 21 & younger

- 3. Pick a doctor, clinic, or physician group.** You can pick a different doctor for each member. However, if you pick a different doctor for each member, we suggest that you pick doctors who work in the same clinic or office.
- 4. Call us when you have made your choice.** Let us know the name and the code number shown in the provider directory for that doctor or clinic.

If you are receiving care now from a doctor not listed in this provider directory and you want to continue getting care from that doctor, call us right away. We will work with you and your doctor to coordinate care.

## Access Information for People with Disabilities

You will see that many doctors' offices and clinics have letters (**P, B, W, E, T, R**) after their phone numbers. These letters mean that a nurse visited the office and saw that the doctor's office has some kind of access for people with disabilities:

**P = PARKING:** accessible (“Handicapped”) parking spaces, ramps and curb cuts between parking and office.

**B = BUILDING:** accessible walkway and entrance to the building, ramps and stairs have handrails, doors open wide enough, door handles are easy to use, elevators are easy to use.

**W = RECEPTION/WAITING:** reception and waiting areas have wide enough aisles, enough room to turn around.

**E = EXAM ROOM:** clear path to exam room, doors open wide enough, doors are easy to open, enough room to turn around.

**T = EXAM TABLE/SCALE:** exam table moves up and down, scale has handrails and is accessible for people who use wheelchairs.

**R = RESTROOM:** doors are wide enough, doors are easy to open, enough room to turn around and close door, grab bars, sink is easy to get to, faucets, soap and toilet paper are easy to reach and use.

Some doctors' offices and clinics may have these kinds of access but the information is not in this Provider Directory. You can get more information on access by calling L.A. Care Member Services.

## Our Doctors' Professional Qualifications

We are proud of our doctors and their professional training. If you have questions about the professional qualifications of network doctors and specialists, call us. L.A. Care can tell you about the medical school they attended, their residency or board certification.
