Thank you for choosing L.A. Care Health Plan!

We are proud to give quality care to Medi-Cal program members in Los Angeles County. To make sure you receive the best care, L.A. Care has a large group of doctors who serve all of Los Angeles County. This provider directory lists clinics, doctors, hospitals and other providers who work with L.A. Care.

Your doctor is called a Primary Care Physician or “PCP”

When you join L.A. Care, you choose a doctor or clinic for each member. If you did not, we chose for you. This doctor is called a “Primary Care Physician” or “PCP.” This PCP will take care of most of your care unless it is an emergency or out of area urgent care services. Your PCP’s name and phone number are on your ID card.

You may need a referral or prior authorization to see a specialist or someone that is not your PCP. A referral means that your PCP must give you approval before you can see someone that is not your PCP. A prior authorization is an approval from L.A. Care before you can get a specific service or drug, or see an out-of-network provider. L.A. Care may not cover the service or drug if you don’t get approval.

How to choose a new doctor (PCP)

You can request to change your doctor, clinic, or physician group at any time. To choose a new doctor, follow what to do below. Or, if you have the Internet, you can go to lacare.org. Under, For Members, select Member Tools, click on Find a Doctor or Hospital. Click on Medi-Cal under Choose a Program. Then, click on, I want to find a Physician and follow what to do to choose a new doctor.

1. Find your city. In this provider directory, go to the city of your choice to find a list of clinics and doctors near you.

2. Check the list. To help you pick, we have listed doctor specialties and the language they speak.

   You may select this
   
   Type of Doctor          To Care For
   Family Practice         All ages
   General Practice        Ages 16 & older
   Internal Medicine       Ages 16 & older
   Ob/Gyn (women only)     Ages 16 & older
   Pediatrics             Ages 21 & younger

3. Choose a doctor, clinic, or physician group. You can choose a new doctor for each member. But, if you do, we suggest that you choose one who works in the same clinic or office.

4. Call L.A. Care Member Services at 1.888.839.9909 (TTY: 711) when you make your choice. Let us know the name and the code number that is in the Provider Directory for that doctor or clinic.

   If you get care right now from a doctor not listed in this provider directory and you want to keep getting care from that doctor, call L.A. Care. We will work with you and your doctor to help you get care.
Enhanced Care Management & Community Supports

Enhanced Care Management (ECM) is a Medi-Cal benefit available to select members with complex needs. Enrolled members receive comprehensive care management from a single lead care manager who coordinates all their health and health-related care, including physical, mental, and dental care, and social services. Enhanced Care Management is available to specific groups (called “Populations of Focus”).

Community Supports are services provided to address Medi-Cal members’ health-related social needs, help them live healthier lives, and avoid higher, costlier levels of care.

Please refer to Medi-Cal Evidence of Coverage/Handbook and Provider Manual, or call Customer Solution Center for details about member eligibility requirements, access rules, referrals, and prior authorization process for Enhanced Care Management and Community Supports.

Access Information For People With Disabilities

Many doctors’ offices and clinics have letters (P, B, W, A, E, S, L, R, GB) after their phone numbers. These letters mean the office has some kind of access for people with disabilities:

P = Parking: accessible (“Handicapped”) parking spaces, ramps and curb cuts between parking and office.

B = Building: accessible walkway and entrance to the building where ramps and stairs have handrails. Doors open wide and door handles and elevators are easy to use.

W = Wheelchair Access

A = Reception/Waiting Area: reception and waiting areas have wide aisles with enough room to turn around.

E = Accessible Exam Room & Table: clear path to exam room, doors open wide, are easy to open, and have enough room to turn around. Exam tables move up and down.

S = Scales: Scale has handrails and is accessible for people who use wheelchairs.

L = Lifts: Lifts are available to assist with patient.

R = Restroom & Stall: doors are wide, easy to open and have enough room to turn around. You can grab bars and the sink is easy to get to. The faucets, soap and toilet paper are easy to reach and use.

GB = Grab Bars: Grab bars are available in restroom stalls and other areas

Some doctors’ offices and clinics may have these types of access but it is not in this Provider Directory. To get more information on this, call L.A. Care’s Member Services at 1.888.839.9909 (TTY: 711)
Our Doctors’ Professional Qualifications

We are proud of our doctors and their professional training. If you have questions about their qualifications or would like to verify a doctor’s address, call us at 1.888.839.9909 (TTY: 711). L.A. Care can tell you about the medical school they went to, their residency or board certification.

- Family planning;
- Contraceptive services, including emergency contraception;
- Sterilization, including tubal ligation at the time of labor and delivery;
- Infertility treatments; or

Timely access to care

Your in-network provider must offer you an appointment within the time frames listed below. Sometimes waiting longer for care is not a problem. Your provider may give you a longer wait time if it would not be harmful to your health. It must be noted in your record that a longer wait time will not be harmful to your health.
