Homeless & Housing Support Services (Housing Navigation and Tenancy Services)

The Health Homes Program (HHP) and the L.A. County Whole Person Care (WPC) Pilot ended and transitioned into the CalAIM Enhanced Care Management (ECM) and Community Supports (CS) on January 1, 2022. ECM is a new Medi-Cal benefit available to members that meet specific eligibility criteria and opt-in to participate. CS are optional, non-traditional services that address social determinants of health.

Under this program, L.A. Care launched Homeless & Housing Support Services (HHSS) Community Supports programs on 1/1/22. In this document, you can learn more about who is eligible and how you can make a referral.

What services are offered under each program?
