*(a) In addition to authority exercised under Sections 54954.3 and 54957.9, the presiding member of the legislative body conducting a meeting may remove an individual for disrupting the meeting.*

*(b) As used in this section, "disrupting" means engaging in behavior during a meeting of a legislative body that disrupts, disturbs, impedes, or renders infeasible the orderly conduct of the meeting and includes, but is not limited to, both of the following:*

*(1) A failure to comply with reasonable and lawful regulations adopted by a legislative body under Section 54954.3 or 54957.9 or any other law.*

*(2) Engaging in behavior that includes using force or true threats of force.*

(54954.3 contains provisions related to public comment time restrictions, and 54957.9 allows the presider to clear the room if the meeting can't continue.)
