Once the meeting has started, public comments should be submitted prior to the time the Chair announces public comments for each agenda item and staff will read those public comments for up to three (3) minutes. Chat messages submitted during the public comment period for each agenda item will be read for up to three (3) minutes. If your public comment agenda is not related to any of the agenda item topics, your public comment will be read for up to three (3) minutes at item X Public Comments on the agenda.

Please note that there may be a delay in the digital transmittal of emails and voicemails. The Chair will announce when the public comment period is over for each item. If your public comments are not received on time for the specific agenda item you want to address, your public comments will be read at the public comment section of the agenda.

The purpose of public comment is that it is an opportunity for members of the public to inform the governing body about their views. The Temporary Transitional Executive Community Advisory Committee appreciates hearing the input as it considers the business on the Agenda.

These are extraordinary circumstances, and the process for public comment is evolving and may change at future meetings. We thank you for your patience.

All votes in a teleconferenced meeting shall be conducted by roll call.

SB 1100 was signed by Governor in August 2022, and added a short section to the Brown Act as Govt. Code Section **54957.95** to supplement language already part of the Brown Act:

- (a) In addition to authority exercised pursuant to Sections 54954.3 and 54957.9, the presiding member of the legislative body conducting a meeting may remove an individual for disrupting the meeting.
- (b) As used in this section, "disrupting" means engaging in behavior during a meeting of a legislative body that actually disrupts, disturbs, impedes, or renders infeasible the orderly conduct of the meeting and includes, but is not limited to, both of the following:
 - (1) A failure to comply with reasonable and lawful regulations adopted by a legislative body pursuant to Section 54954.3 or 54957.9 or any other law.
- (2) Engaging in behavior that includes use of force or true threats of force. (54954.3 contains provisions related to public comment time restrictions, and 54957.9 allows the presider to clear the room if the meeting can't continue.)
