W = Wheelchair Access

A = Reception/Waiting Area: reception and waiting areas have wide aisles with enough room to turn around.

E = Accessible Exam Room & Table: clear path to exam room, doors open wide, are easy to open, and have enough room to turn around. Exam tables move up and down.

S = Scales: Scale has handrails and is accessible for people who use wheelchairs.

L = Lifts: Lifts are available to assist with patient.

R = Restroom & Stall: doors are wide, easy to open and have enough room to turn around. You can grab bars and the sink is easy to get to. The faucets, soap and toilet paper are easy to reach and use.

GB = Grab Bars: Grab bars are available in restroom stalls and other areas

Some doctors’ offices and clinics may have these types of access but it is not in this Provider Directory. To get more information on this, call L.A. Care’s Member Services.
