The information in this Provider Directory is accurate as of **March 1, 2023**. For the most up to date provider information, please visit our website **lacare.org**.

Your doctor's office hours may have changed due to COVID-19. Please call your doctor for the most up-to-date information.

Thank you for choosing L.A. Care Health Plan!

We are proud to give quality care to **Medi-Cal** program members in Los Angeles County. To make sure you receive the best care, L.A. Care has a large group of doctors who serve all of Los Angeles County. This provider directory lists clinics, doctors, hospitals and other providers who work with L.A. Care.

Your doctor is called a Primary Care Physician or "PCP"

When you join L.A. Care, you choose a doctor or clinic for each member. If you did not, we chose for you. This doctor is called a "Primary Care Physician" or "PCP." This PCP will take care of most of your care unless it is an emergency or out of area urgent care services. Your PCP's name and phone number are on your ID card.

You may need a **referral or prior authorization** to see a specialist or someone that is not your PCP. A **referral** means that your PCP must give you approval before you can see someone that is not your PCP. A **prior authorization** is an approval from L.A. Care before you can get a specific service or drug, or see an out-of-network provider. L.A. Care may not cover the service or drug if you don't get approval.

How to choose a new doctor (PCP)

You can request to change your doctor, clinic, or physician group at any time. To choose a new doctor, follow what to do below. Or, if you have the Internet, you can go to **lacare.org**. Under, **For Members**, select **Member Tools**, click on **Find a Doctor or Hospital**. Click on **Medi-Cal** under **Choose a Program**. Then, click on, **I want to find a Physician** and follow what to do to choose a new doctor.

1. **Find your city.** In this provider directory, go to the city of your choice to find a list of clinics and doctors near you.

2. **Check the list.** To help you pick, we have listed doctor specialties and the language they speak.

You may select this Type of Doctor	**To Care For**
Family Practice	All ages
General Practice	Ages 16 & older
Internal Medicine	Ages 16 & older
Ob/Gyn (women only)	Ages 16 & older
Pediatrics	Ages 21 & younger

3. **Choose** a **doctor, clinic, or physician group.** You can choose a new doctor for each member. But, if you do, we suggest that you choose one who works in the same clinic or office.

If you get care right now from a doctor not listed in this provider directory and you want to keep getting care from that doctor, call L.A. Care. We will work with you and your doctor to help you get care.

LANGUAGE ASSISTANCE SERVICES

We offer no-cost interpreting services, including American Sign Language, 24 hours a day, 7 days a week. An interpreter can help you talk with your doctor during the health visit. You should never use friends, family, or children as interpreters.

Call L.A. Care at **1.888.839.9909 (TTY: 711)** at least 10 business days before the doctor visit to request an interpreter.

ACCESS INFORMATION FOR PEOPLE WITH DISABILITIES

Many doctors' offices and clinics have letters **(P, B, W, A, E, S, L, R, GB)** after their phone numbers. These letters mean the office has some kind of access for people with disabilities:

P = Parking: accessible ("Handicapped") parking spaces, ramps and curb cuts between parking and office.

B = Building: accessible walkway and entrance to the building where ramps and stairs have handrails. Doors open wide and door handles and elevators are easy to use.

W = Wheelchair Access

A = Reception/Waiting Area: reception and waiting areas have wide aisles with enough room to turn around.

E = Accessible Exam Room & Table: clear path to exam room, doors open wide, are easy to open, and have enough room to turn around. Exam tables move up and down.

S = Scales: Scale has handrails and is accessible for people who use wheelchairs.

L = Lifts: Lifts are available to assist with patient.

R = Restroom & Stall: doors are wide, easy to open and have enough room to turn around. You can grab bars and the sink is easy to get to. The faucets, soap and toilet paper are easy to reach and use.

GB = Grab Bars: Grab bars are available in restroom stalls and other areas

Some doctors' offices and clinics may have these types of access but it is not in this Provider Directory. To get more information on this, call L.A. Care's Member Services at **1.888.839.9909 (TTY: 711)**
